

Financial Education Services

We offer financial education services. Our pre assigned education program concentrates on tax code and regulations, however, curriculum tailored for the specific needs of our clients are also available.

Our education program utilizes an interdisciplinary approach by combining theory and application. The curriculum is constantly updated with newly gained experiences and it is offered in an interactive group setting.

Some of the topics that are offered in our programs are:

- Fundamentals of Tax Law
- Practical Training on Tax Code
- Income Tax Law
- Institutional tax Law
- Sales Tax Law
- Tax Application Law
- Other Tax Law
- Investment Encouragement Regulations
- Stock Market Gain Taxation
- Treaties to prevent double taxing
